R E P O R T

[To accompany H. Res. 756]

The Committee on Rules, having had under consideration House Resolution 756, by a record vote of 7 to 2, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 1422, the EPA Science Advisory Board Reform Act of 2013, under a structured rule. The resolution provides one hour of debate equally divided and controlled by the chair and ranking minority member of the Committee on Science, Space, and Technology. The resolution waives all points of order against consideration of the bill. The resolution provides that the amendment in the nature of a substitute recommended by the Committee on Science, Space, and Technology now printed in the bill shall be considered as adopted, and the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution makes in order only the further amendment printed in part A of this report, if offered by Representative Stewart of Utah or his designee. That amendment shall be considered as read, shall be separately debatable for 10 minutes equally divided and controlled

by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question. The resolution waives all points of order against the amendment printed in part A of this report. The rule provides one motion to recommit with or without instructions.

Section 2 of the resolution provides for consideration of H.R. 4012, the Secret Science Reform Act of 2014, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Science, Space, and Technology. The resolution waives all points of order against consideration of the bill. The resolution makes in order as original text for the purpose of amendment an amendment in the nature of a substitute consisting of the text of Rules Committee Print 113–57 and provides that it shall be considered as read. The resolution waives all points of order against that amendment in the nature of a substitute. The resolution makes in order only those further amendments printed in part B of this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amendments printed in part B of this report. The resolution provides one motion to recommit with or without instructions.

Section 3 of the resolution provides for consideration of H.R. 4795, the Promoting New Manufacturing Act, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Energy and Commerce. The resolution waives all points of order against consideration of the bill. The resolution waives all points of order against provisions in the bill. The resolution makes in order only those further amendments printed in part C of this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amendments printed in part C of this report. The resolution provides one motion to recommit with or without instructions.

Section 4 of the resolution provides that on any legislative day during the period from November 21, 2014, through November 28, 2014: the Journal of the proceedings of the previous day shall be considered as approved; and the Chair may at any time declare the House adjourned to meet at a date and time to be announced by the Chair in declaring the adjournment.

Section 5 of the resolution provides that the Speaker may appoint Members to perform the duties of the Chair for the duration of the period addressed by section 4.
